Great.

Take a look at it Laura and see if there are answers to some of those specific questions and I think we can use that directly with the press. We can make sure they understand that it is as current information as we have at this point and that it is updated daily.

Here is the latest situation report found on the epaosc.org/goldkingmine website. I'm checking on timing but it looks like they posted it today and it's for the 11<sup>th</sup> but could have most recent, already vetted details like sampling info...
